- Warehouse shipments will be delivered the day BEFORE the direct target date if your target time is by 8am. If you have a target time AFTER 8am your warehouse shipment will be in the booth by your target time. Shipping to the advance warehouse is the best option to maximize your move in time.
- In order to ensure a safe and smooth move-in target dates will be strictly enforced.
- Shipments that arrive on their target date/time will be unloaded on a first come, first serve basis and are guaranteed to be delivered by the end of that target day.
- Target date/times apply to DIRECT freight shipments only. See forms in kit for other deadlines.
- When scheduling other services (labor, electrical, etc.) please be aware of your freight delivery and schedule accordingly.
- Exhibitors do not need to be in their booth for delivery, or be prepared to install their exhibits.
- For any questions regarding your target please contact Luis Quijada, email luis.quijada@freeman.com or call 702-300-6529
