

West Building Security Check Point

- Starting July 21, 2020, all foot traffic entering the West Building dock area (excluding OCCC employees) will now enter and exit through the pathway below.
- This includes all contractors, exhibitors, EAC's and vendors that are not driving into the dock basin.
- Please have your contractor ID or credential ready to show security upon entry.
- This station will be staffed by OCCC Security.
- These areas will be for foot traffic only and will not allow any motorized vehicles.
- Please arrive early enough to allow time for the new entrance and exit protocols.
