

NKBA | KBIS

We cannot wait to welcome you back to a live in-person KBIS next month. We are working hard on our final preparations for the show and want to assure you that the safety and well-being of our attendees, partners, exhibitors, site workers and staff remains our top priority. As a result, we remind you that to attend KBIS 2022 you must provide one of the following:

- A negative COVID test
- **OR**
- Proof of vaccination

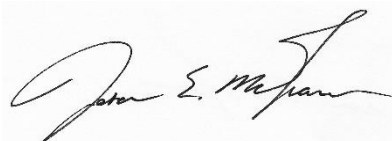

Either option will meet our current event requirements. However, we continually review our health and safety policies so please check our website [here](#) for the latest updates. Please feel free to reach out to us with any questions you have at kbis@emeraldx.com. We look forward to welcoming you to Orlando from Feb. 8-10 for an incredible KBIS 2022.

If you have not registered and would like to join us, please use this [link](#).

Sincerely,

Brian Pagel
Executive Vice President
