Priority Point System

The Kitchen and Bath Industry Show (KBIS) has a long history of delivering a marketplace for the introduction of the latest products and innovation in the kitchen and bath industry. As the show organizer, Emerald Expositions and the National Kitchen & Bath Association (NKBA) have a goal to support the exhibitors who have made KBIS the premiere event in the industry. The priority point system is in place to create a fair and equitable process for assigning space for the show. The purpose is to reward companies for their investment and participation at the show as well as for membership with the leading industry association, the National Kitchen & Bath Association. The priority point status will determine the order in which space is assigned. Points are accumulated based on an exhibitor's level of participation, history with the show, and membership status with the National Kitchen & Bath Association (NKBA).

Priority Points will be calculated for all KBIS 2022 exhibitors that have paid their KBIS 2022 balance in full. Companies that have / plan to cancel out of KBIS 2022 will be included in the Priority Points process, but with the following adjustments (note these only apply to exhibitors that are paid in full):

- **Exhibitors that have cancelled but opt to take a small presence on the show floor via booth, lounge or meeting room** - No Change in 2023 Space Selection Appointment Time.
- **Exhibitors that have cancelled / maintain no presence on the show floor** - Space Selection Appointment Time pushed back 50 places. Please note, if no company representative is available for your onsite booking appointment, the KBIS sales team will reserve the best available space at your scheduled time based on your original footprint in KBIS 2022. Reserved spaces are not guaranteed until contracted.
- **Exhibitors that are "no shows"** – Space Selection Appointment cancelled.

Point totals are calculated and tracked based on the following:

- Each 10' x 10' booth unit at KBIS 2022 is worth five (5) priority points.
- Each company receives five (5) points for each year of participation in KBIS.
- Each company receives five (5) points for every \$5,000 spent towards sponsorships at KBIS 2022.
- Loyalty Leaders (companies that have exhibited consecutively since 2009) will receive an additional ten (10) points for participation in KBIS 2022.
- National Kitchen & Bath Industry Membership – twenty (20) points. NKBA member rates are a benefit of your NKBA membership. Member rates are only extended to those companies that are current with their NKBA dues. Should your membership lapse for any reason, your exhibit space rate will be adjusted to the non-member rate.
- Each company receives five (5) points for every \$25,000 spend towards Kitchen & Bath Business advertising in 2021.
- Exhibitors participating in IBS 2022, that have also participated in both KBIS and IBS at least two (2) times from 2007 to 2022 are treated as shared exhibitors and will receive priority points that can be used for KBIS 2023 space assignment. These points are specific to KBIS only.
- Points are considered an asset of the exhibiting company. In the case of a merger or purchase, the purchasing company must provide written proof of their purchase of the assets of that company. Once verified by Emerald Expositions, the parent company's points will be factored based on the company with the highest point total.
- Companies may not combine point totals to improve their standing unless they are separate divisions/units of the same parent company. This situation, by definition, would call for one company contact and one financial billing entity.
- Each contracted space will be contracted, invoiced, and paid by one company. That company will receive all the priority point benefits.
- You will be required to pay a 10% deposit on your booth space (maximum of \$3,000) through February 10, 2022 to participate in space assignment. This deposit will protect your selected space and will be credited towards your final balance due. 50% due by February 11, 2022. Final balance for booth cost is due June 15, 2022.
- Co-exhibitors do not receive priority points. Only the main exhibitor is eligible to receive priority points.
